Have questions? Reply to this email and we'll respond as soon as possible.

Come take advantage of our Year-End SALE, 23% off ALL MERCHANDISE!\*

This sale only lasts until 6pm on December 23rd, so take advantage of all this saving while you still can! Perfect for the last-minute shopper, applies to both in-store and online purchases.

(\*Bales of Straw, gift cards, and classes/educational workshops are not included.)

---

**We're taking a short winter break...**

Alice's Garden will be closed from **December 24th to January 1st** for Winter Break\*. But don't worry, we will re-open on **January 2nd** with NEW winter hours!

We'll be open from **10am-5pm, 7 days a week**, starting in January. You can also still shop [online](#) and schedule your order pick-up for January 2nd and beyond!

(\*However, if you are in need of Straw to keep your animals warm during this break, please e-mail [alice@alicesgardenindy.com](mailto:alice@alicesgardenindy.com)! Someone will call you ASAP and arrange a time to meet you at the store.)

---

## Who's ready for a giveaway??

Post a picture of your **decorated tree** on [Instagram](#) or [Facebook](#) and **tag Alice's Garden** for a chance to win a beautiful Cody Foster Putz House!! As an added bonus, include a picture of your **favorite ornament** for a chance to win an adorable glass greenhouse ornament!

Be sure to set your audience to "Public" when posting, to make sure we can see it and ensure you're properly entered into the contest!

Pictured is the Cody Foster that will go to one lucky participant!

Winners will be randomly chosen on Christmas Eve and notified on social media! We can't wait to see all of your beautiful trees!

Pictured is the glass greenhouse ornament that will go to the winner!

---

## Featured Houseplant:

This week's featured houseplant is the **Lavender Tree!** While these plants happen to resemble Christmas trees, Lavender is an amazing houseplant to cultivate all year for its aromatherapy and culinary benefits. Lavender loves sunny spots, so placing it in a south-facing window (or even giving it its own grow light) will ensure it thrives. Allow

it to dry out between watering, then give it a deep and thorough soak.

---
